WORK

T-shirt Design, Boulder Juggling Festival

Boulder, CO | June 2014

Created a design to promote the 10th Annual Boulder Juggling Festival. Led spec work and printing.

Scientific Illustrator, Sienco Inc.

Boulder, CO | November 2013–January 2014

Researched and synthesized scientific information to create an accurate graphical representation of the process of hemostasis. Focused on creating small bites of copy to make sense of it all.

Textbroker Contributor, Textbroker International LLC

Las Vegas, Nevada | May 2012–December 2012

Wrote articles about subjects including health, art, finances, companies, products, politics, travel, and food.
